

MASAR DISCOUNTS THROUGH WWW.PROMOTIVE.COM

We have access to discounts of up to 40% from hundreds of companies just for the asking.

To use it, individuals need to go to the web site and set up an account, then request to join teams that they qualify for. Companies offering discounts are based on the teams' professional disciplines you qualify for. MASAR Unit personnel can join the MASAR, NASAR, and Fire & Rescue teams at a minimum and will be given discounts with many companies. For NASAR and Fire & Rescue a MEMA ID card may be scanned and used for proof. These discounts are only for individual MASAR members and not for family or gifts.

There are other teams that some but not all MASAR folks may be able to qualify for such as Law Enforcement, branch of the military for reserves or retired personnel, Hunter Safety Instructors, and probably more.

If you don't see a product you think should be listed you may suggest it through the web site.
